### Schedule

Participants will request their start time when completing registration online. Participants' start times will be posted on the LSOC website Friday evening prior to the event. All participants are expected to begin the course promptly at their start time. Late arrivals will be moved to a later start time. A 20-

minute beginner class is offered at 0920 at the registration area at the Highlands High School Gym. A course setter notes and safety briefing are provided immediately after the beginner class. The first start is at 10:00 am, the last possible start is at 12:00 noon, with a 2-hour time limit for all courses. LSOC prefers to start runners as early as possible so we can have maximum attendance at an early (1230 pm possibly) awards ceremony. All runners must be off all courses by 2:00 pm. The awards ceremony will be no later than 2 pm. The award ceremony usually starts around 1230 pm.
